

Food Quality Statement

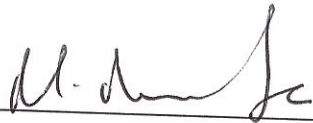

Direct Sourcing Ingredients Ltd. provides the best quality ingredients and service, exceeding our customers' expectations. We achieve this by working with selected approved suppliers globally.

Our suppliers aspire to meet GFSI standards, ensuring quality, safe, authentic, and hygienic products. We ensure our ingredients meet all legal requirements for their intended use. Food safety and quality is our top priority.

Our staff are supported to maintain an understanding of the current food safety standards applicable to our business. The leadership team takes responsibility for the management, monitoring and updating of our quality management system.

Direct Sourcing Ingredients Ltd. recognises that continuous improvement is key to the ongoing success of the business. We will respond promptly to changes within the market and the business than may impact food quality and safety. Successfully driving improvements and responding to change will ensure that we continue to offer best value ingredient, meeting the quality and food safety standards required legally and by our customers.
